

Mr. Speaker, unless this Congress or the next President is able to stop this madness, Barack Obama will be on trajectory to be remembered as the father of the Iranian atomic bomb and the one who ultimately nuclearized the entire Middle East, and our children will start down a path that leads through the shadow of nuclear terrorism.

And whatever the costs there might have been to prevent Iran from gaining nuclear weapons will pale in comparison to the costs of dealing with a nuclear-armed Iran. We must not let that happen, Mr. Speaker.

Astonishingly, Democrat Senators are now arrogantly filibustering any attempt for the Senate to reject this inexpressibly dangerous deal.

It is time for the majority leader of the Senate to use the nuclear option in the Senate rules to bring this inexpressibly dangerous nuclear deal with Iran to the Senate floor and vote on and reject it as the treaty that it actually embodies under the Constitution of the United States. If Republicans do not use the nuclear option in our rules, Iran may some day use their nuclear option against our Nation.

It is September 11, Mr. Speaker. God help us to remember. For the sake of our children and future generations, God help this Congress to reject this treacherous deal and God help us all to focus on the unspeakable importance of the coming elections in America.

I yield back the balance of my time.
